JOHN GREENE HOUSE
Spring Green, Warwick County, Rhode Island
Kent Co.

Date of erection: 1690-1708

Builder-owner: John Greene

Present condition: Good

Description:

Frame, two stories, gambrel roof, central chimney.
Facade five bays, sash new but originally twelve-over-twelve.
Two gable dormers on roof with modern trim. The interior
possesses an early stair with turned balusters and a paneled
room-end with bolection fireplace frame below paneling carved
with rosettes and flanked by dwarf pilasters.
